NEW HOMEOWNERS TAX AND EXEMPTION INFORMATION

New property owner

You are legally required to pay property taxes on your real estate. It is taxed each year by a variety of jurisdictions including the county, city and school district. As a 2015 purchaser, must notify the taxing authorities of your ownership so that the tax rolls will reflect the change. We have listed the appropriate tax appraisal district in your county below.

Single appraised value

Your property is assigned a single appraised value, which is sent to all taxing jurisdictions. They then apply the tax rate, as set by its governing body, to the appraised value.

Residential Homestead Exemption: In order to qualify for a residential homestead exemption you must provide the following to the Central Appraisal District when submitting your application:

A copy of the applicant's Texas driver's license or Texas identification certificate

IMPORTANT NOTE: The property address on the exemption application must match the address listed on the applicant's Texas driver's license/Texas Identification certificate; otherwise the Chief Appraiser is prohibited from approving the exemption.

**2016 Tax Exemptions

On January 1, the value, ownership, legal description of the property and exemption status of the taxpayer is determined. Several forms of tax relief are available which may reduce the taxable value of your property. Applying for exemptions is the taxpayer's responsibility. Some exemptions require a new application each year. Contact your appraisal district to learn more about the following exemptions and how to file for them:

- General Homestead Exemption
- Over 65 Exemption
- Disabled Individual Exemption
- Disabled Veteran Exemption
- *Agriculture Land Exemption

To receive your exemption(s), you must own the property and be living in the property as of January 1st. Your application must be applied for on or before April 30, 2016 to receive the tax benefits for this year. This is a FREE service.

Tax Statements

Tax Statements are generally mailed in October of each year. The taxes are payable on or after October 31, however, you may elect to pay them as late as January 31 without penalty. Taxes become delinquent February 1 and on this date penalties and interest accrue. If you receive a Tax Statement and your mortgage company is escrowing funds for taxes from your monthly payments, forward the statement to your mortgage company so they can pay the taxes. If the Central Appraisal District sends correspondence regarding your exemptions, make sure to respond.
