You may notice a new logo on our page — yes, we can officially announce that we have again been named a “Best Realtor in Dallas,” and “Top Producer” by D Magazine for 2017. We are always so incredibly honored to be included in this as it is based on customer service surveys and the Top Producer award is based on sales volume.

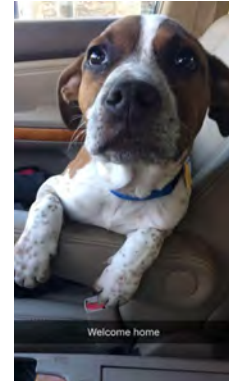

We want to thank all of our friends and customers who refer your friends to us. Without you, this award would not be possible — we are humbled and proud. Thank you so much!

Rick and I took a quick break and went to Punta Mita for a short vacation. We relaxed and enjoyed some very fun times— the vacation was to die for. We stayed at the Saint Regis and I swear it is the first time I really relaxed in a long time. If you go, I highly recommend the Saint Regis!

It's hard to be mad at the cute little face. And, we have another new family member, my nephew Jeremy and his lovely wife Bri welcomed Gunnar Thomas McGar on June 17th, he weighed 8 lbs. and was 21.5” long. He's just as cute as can be and we are all thrilled to welcome him to the family. Here he is in a quiet moment.

Chase adopted a new puppy, Maverik and he's precious (see photo below) but all puppy. We puppysat him for a week and he ruined my rug in my Family Room (photo below). We have replaced it and forgiven him but we have decided we aren't ready for puppy babysitting any time soon!

Welcome to the family Gunnar, you joined a crazy bunch!
