**BEST
D
2015**

We are well into the first Quarter of 2016 and we are still celebrating the launch of our team. Everything we do is a first. We had our team pictures taken (see our professional look and our more relaxed version below)

I personally like our more casual photo because I think it shows our personalities better. What do you think?

We also all had new photos taken (see below) and I like everyone's except for mine, I guess that means it is time to go on a diet! So we've kicked things off at a pretty good pace and just got some good news. Judi Wright has again been named a "Best Realtor in Dallas," by D Magazine. I can't add the new logo yet, but this

will be our 10th year and we are pretty happy about that, Judi was also named in the Top Producer category. Monica Otis, was also named a "Best Realtor in Dallas," for 2016, her first time! (I know you will join me in congratulating her! The reason as Agents you see us brag about the "Best Realtor in Dallas," by D Magazine, is because this is based on actual customer service surveys of our buyers and sellers, title companies and mortgage companies. So it actually speaks to what our clients think of our services and that is important

Here are our new photos, meet The Judi Wright Team and call us if we can help with a real estate need:
