It's certainly Spring in Texas, the trees are budding, daffodils are blooming and buyers are here! The market is extremely hot and there are very few homes available. We've been incredibly busy which is why we are behind getting our newsletter out!

We've had some exciting updates. The Judi Wright Team was named The Top Small Group at Ebby Frisco for 2016 based on the volume of our sales. We have only been a group one year, so this was a bit of a surprise to us, but a great way to start off our first year as a team! Thank you so much to all of you who refer your friends and families to us. We never take your referrals for granted and are so thankful for them!

Our previous office assistant, Suzanne has gone into real estate and left us, and we now have Donna Keaton as our office assistant. We still have Kimberlee Wise as our listing/sold transaction coordinator. We are excited to welcome Donna to our team, she is going to be great! If you work with us, you will meet her soon!

We've had a few fun things happen in our family too. Jimmy got a new job as Business Development Manager with North Highland Consulting. He's been waiting on this opportunity for awhile, so is very excited.

Chase got promoted to a Territory Manager at BSN Sports in the Lacrosse division and he recently rescued a puppy from the Plano Animal Control (see photos below) aptly named Maverik for the Maverik Lacrosse company.

As you can see, Maverik is settling in nicely!

Jenna also accepted a new position as Senior Director of Consulting Services with Social Strategy1. She's enjoying the job and the shorter commute time.

Our nephew, Jeremy and his wife, Bri have announced they are expecting a baby. This will be the first little one for our family and we are all so excited. They also recently let us know that they are expecting a boy! We are so happy for them and this year's vacation will be the first with a newborn in tow. I am sure we will all adjust just fine.

We still have 3 single boys ranging in age from 29 to 35 to marry off, so send us referrals! They are all independent working and off the payroll! Just kidding — they will kill me if they see this!

We also have some great properties on the market, a few really great ones coming, and a few hip pockets that are special. Call us if you are looking for something — we just might have it!

Here's wishing you a Happy Spring and I'm only partially kidding about the above!
